Welcome to Papoose Toys 2019

We are providing all life's basics (food/living/schooling) for well over 100 families per year in Nepal through the work we do with our felt makers. This is all thanks to you, our wonderful customers world wide, who support our products. We are so grateful for your continued support and look forward to keep making gorgeous, hand made, sustainable toys for you and the children that play with them.

Renske, John and the whole Papoose Team

PP409E
Mouse House only
Size 30x17x20cm

Our popular Woodland Fairy range is made from drift wood. These items are not suitable for young children due to the nature of the product. Although very well made, the wood is light and cannot withstand rough handling. Each piece is different as the driftwood is all natural and we have to work with what Mother Nature gives us. Please note: mat colours (inside the houses) may vary.

WP074
Woodland Fairy House Medium (square)
30cm H

A few bits of information:

Product photos in the catalog may not be to scale in relation to each other, as creative licence has been used for design purposes. Colours may vary slightly due to printing process.

Caring for felt: Our felt is made from pure wool, we recommend surface cleaning. If washing is necessary gently hand wash in luke warm water, do not machine wash, do not spin or machine dry. Dry away from direct sunlight. Excess agitation may cause the product to shrink or distort. Play mats can be vacuumed.

Caring for wood: Our wood has the minimum of finishes on it. All our natural (unpainted) wooden items are food safe and can be refreshed by wiping with a food safe oil such as olive or coconut.

Our products are made by many hands. Slight variation in size, shape and colour is deemed a feature of hand made product.

Our natural wooden products such as logs and teak bowls and slices will vary in size and shape, all complaints to Mother Nature!
